Grace & J. T. Crumley

The Yearbook Staff takes pride in dedicating the 1979 *Eagle* to two people long associated with Roosevelt School. Between them, they have been a part of the school system for forty-five and one-half years. Both have been dedicated to their teaching professions not only in the classroom but in their interest in all of the school's activities. The school and community gratefully acknowledge the years these two have faithfully served Roosevelt.

The senior class of '79 set out to make many dreams and ambitions come true. Thrusting into many projects and activities the class is able to look back and say with pride, "Looks Like We Made It." The year began with the painting of the parking lot. Trash hauls, car washes, selling footballs, presenting a movie, and managing the concession stands at football games were projects during the year. The approximate \$2800 is evidence of the group's efforts. The money was spent on such things as graduation, the senior gift and a trip to Six Flags.

Mr. and Miss R. H. S.

Jay Darby and Jeri Parchman

Roosevelt High School's

"Most Athletic"

Size really doesn't hold one back from anything. Jeana Aldridge, a 5'¼" basketball player and track participant proved that this year by being elected to this honor. Sharing this with Jeana is 6'3" Ray Smith, a super football, basketball, and track star.

"Most Courteous"

Kathy Glenn and Dennis Price are always considerate of the people around them. Their thoughtful behavior and genial personalities won them this honor.

"Most Bashful"

Irma Flores and Mark Copeland were elected "Most Bashful" of 1979. Their modest personality and timid smiles complete their bashfulness.

"Most Dependable"

Debra Sisson and JoeDate McCallister are two of the most dependable and trustworthy people at Roosevelt. They were awarded this honor due to their loyal feelings toward friends and school.

Honorees Nominated

"Best Dressed"

Teresa Crosland and Jeff Stephens in fashionable dress won them the honor of best dressed students on campus. Their pleasing appearance was always topped with a gleaming smile.

"Most Flirtatious"

Tonya Garner and Scotty Bessant were chosen the most flirtatious couple for '78-'79. Because of their charm and ability to make friends among the opposite sex, they are a popular pair.

"Most Enthusiastic"

Robbie Speed and Roger Lindsey were chosen "Most Enthusiastic" girl and guy at Roosevelt High. Having an eager personality and bubbling smiles keep these two on top.

"Friendliest"

Sylvia Arredondo and Alex Rosales were elected "Friendliest" gal and guy at R.H.S. Friendliest means possessing a kind smile, and a friendly attitude. These are a winning combination of Sylvia and Alex.

For The

"Best Looking"

Jeri Parchman and Jay Darby not only received the honor of being chosen Mr. and Miss R.H.S. but "Best Looking" to top that. Together Jay and Jerri brighten the halls at Roosevelt with their pleasing appearance.

"Most Sincere"

To describe Vickie Deaton and Jimmy McCann, the most sincere couple for R.H.S. is to say they have a genuine feeling of good will toward everyone and everything.

"Most Scholastic"

When you talk about intelligence, you're talking about Connie O'Neal and Ted Nordurft. That's why these "brains" were chosen "Most Scholastic" at R.H.S.

"Most Spirited"

Mary Ann Arredondo and Gordon Nealy have been chosen "Most Spirited" for 1979. They spread lots of spirit to everyone they come into contact with at Roosevelt High School.

Who's Who

"Most Talented"

Monee Schaefer and Matt Davis were awarded the title of "Most Talented". They not only have natural talent, but they show talent in everything they do.

"Most Likely to Succeed"

Pam Stevens and Mike Dawson were given the title of "Most Likely to Succeed". They both succeeded at Roosevelt, and the way the student body looks at it, they will continue their success.

"Wittiest"

Tammy Harris and David Patton were elected wittiest couple of the '78-'79 class. They won this title by keeping everyone "in stitches" with their sparking personalities.

The Who's Who honorees are among the most outstanding senior students at RHS. What greater honor could be afforded to a student than to be selected by teachers and fellow classmates as having excelled in some capacity during the span of their school lives.

Juniors

Looking For

Arturo seems to always find time for a nap.

The Junior class worked especially hard this year on various projects to earn money for their senior trip in 1980. Some of the projects included trash hauls, a raffle, and a musical assembly presented by "Sweet Country." This money will also be used to purchase a school gift and help defray cost of graduation. A more enthusiastic group is hard to find.

Freshmen

We Were Looking

Adkins, Donald

Alvarez, Ricky

Ashley, Wayne

Beaver, Brian

The graduating class of 1982 (this year's Freshmen) spent the year adjusting to high school. At last they were a part of the Crowd! Meetings were held to elect officers and class favorites during the year. A steering committee made up of officers and class members met several times to decide on money making projects for the coming year. All students look forward to the senior class trip, and that includes freshmen. It's never too early to begin planning one's future.

"I'M FREE, I'M FREE. They finally let me out of the animal farm."

We Were

*Barbie Barnes
Stay Sweet
Cynthia
Let's Go!*

The eighth graders had a big job this year helping and showing the seventh graders the ropes. For the first time these students were able to elect speech as one of their subjects. Many students participated in UIL events this spring. It was a year of fun and growing-up for these people. To make a good year even better, the students went on a field trip to KMCC television and on to Mackenzie Park for a picnic complete with lots of fun.

Special Place And

The seventh graders had an eventful and busy year. The seventh graders faced many new challenges and adventures in Junior High; the work was harder and they were expected to act like adults and they were treated as such. They were excited about being around Junior High and High School students and learning all they could from them. Of course the most remembered times will be the fun times when they threw paper wads, talked behind the teachers backs, threw chalk erasers, told jokes, and made new friends. At the end of the year the seventh graders went on a field trip to Reese Air Force Base and then to the park for lots of fun and games.

Sixth

We Were

Although many projects were undertaken during the year perhaps one of the most interesting was a unit in health. The students learned how to bandage wounds and enjoyed bandaging one another. Tying in with this was a field trip to the Health Science Center and the South Plains Blood Services.

After a unit of study on airplanes the students learned to form companies. The annual track meet, a fun event was held in May. The closing of school year found the students going on a last field trip — skating and picnicking at McKenzie Park. This seems a fine way to round out six years of study in elementary school before going on into junior high.

Fifth

The fifth graders enjoyed an exciting year. Throughout the year their learning experience proved to be a good one. One of the most exciting events that the fifth graders were involved in was the UIL events; Spelling, Picture Memory, and Oral Reading were the areas entered by 16 students. Oral reading participants who won were Missy Goddard, 1st; Jimmy Miller, 3rd; and Donna Gillit, 5th. Those going to UIL in picture memory and winning 4th as a team were Georgia Goley, Jill Clark, Brenda Beavers, Tina Ashton, Wesley Dawson and alternate, Neisha Zahn.

The students presented a dance program during the year which included renditions of the waltz, polka, Mexican Hat Dance, and several others. Everyone enjoyed this venture.

To end an exciting year the fifth graders went on a field trip to the Health Science Center, Coca Cola Co. and completed their day with fun at Maxie Park.

Fourth

Fourth graders enjoy many learning experiences and have fun with learning throughout the year. Music has been a part of this learning experience. AT one PAT meeting they presented a Musical program with Mr. Thomas, band director, conducting. Mrs. Brenneman's class enjoyed working with papier-mache and made Halloween masks as a result of their work. Donna Walker, a student in Mrs. Brenneman's class made the "A" Honor Roll each grading period except one. That's quite a record for someone to break. Another unique experience for Tina Ashton and Wes Dawson was their participation in the UIL event, picture memory.

Third

We Were Looking For

Who says school isn't fun? The students in the third grade would certainly disagree with anyone making that statement. Certainly the students learn while enjoying the third grade. During the year these students presented a Walt Disney to the PAT. They also had a map and globe study project which ended in the making of corn meal maps. Field trips were made to Reese Air Force Base, the Moody Planetarium and Texas Tech Museum during the year. UIL entered into the lives of Pam Sides, Bryan Martin, Jessie Dunlap and Catrind Hatspcich, when they entered the story telling event. 4-H brought a 3rd place award to Christy Petree with her pigs. Also entering events in 4-H were Joy Beth Carr, sewing; Rejohn Seay and Chrystal Howell, gymnastics. For their Mother's Day projects, students made paperweights, pin cushions and hot pads as special surprises for the Mothers. To round out the year, everyone enjoyed the track meet where ribbons were awarded to winners.

Second

We Were Looking

Second graders found themselves involved in many things during the school year. Perhaps one of the most enjoyed projects involved a study of gerbils. Students observed the gerbils and then wrote papers dealing with what they had learned. Other students studied about various plants and even planted a variety of vegetables and flowers. This was an indoor garden, so all could learn how to care for them and watch their growth. The PAT Club enjoyed a patriotic program of songs and reading in January by this group of students. These second graders have been a help to their teachers by helping decorate the rooms.

One youngster, Jeff Webb, sold 600 boxes of candy during a candy sale and won a TV as a prize. He's what one could call a "salesman."

To round out an eventful year the classes visited the telephone company and from there went to the park for a picnic and games. A good time was had by all!

First

In All Our

The first graders had a busy and eventful year. Mrs. Courtney's class was successful in presenting a play to the kindergarteners. The entire first grade presented a musical program at one of the PAT meetings. Mrs. Price was quite pleased because in her class she had eight outstanding readers. One young lady, Sally Walker, was one of these students and often read aloud to her classmates. The end of the year found the first graders attending a movie to see "Tom Thumb." After the movie there was a trip to the park and certainly, last but not least, a stop by the Dairy Queen. Now, wouldn't you like to be a first grader again?

Kindergarten

Looking To Great

Perhaps one of the most important things kindergarteners learn is how to get along with their peers. Besides their academic learning projects, these pupils do some neat, fun things which also involve learning. During the year they visited the Moody Planetarium where they were shown a program about the sky. They visited a fire station which besides being a learning experience, was great fun. During the Thanksgiving season the kindergarten students and 1st graders dressed as Pilgrims and Indians and ate together. Before Christmas they visited South Plains Mall to tell Santa Claus just what they wanted for Christmas. One memorable trip was a visit to the baby animal exhibit at the fair. These students had an interesting, learning year.

The "Eagle" Band progressed a great deal this year musically, with new instruments, new members, and spirit. They performed at half time shows, pep rallies and contest. At contest this year the band earned a Division III in concert and sight reading and marching. This is a record of which members can be proud. To earn money for a trip to Six Flags and the end of the year banquet, members sold magazines, sponsored a movie and a basketball game between band members and KLLL. Naturally the Eagle Band won! During the year the band gave a Christmas concert which everyone enjoyed. In the spring an evening concert was presented. Peggy Miller and Paul Roberts were voted Outstanding Bandsmen.

The FTA club has one of the largest memberships in school. A new system was established this year whereby members earned points by working for teachers. These points enabled several lucky people to receive award pins for their service. During the spring, Teacher Appreciation Day was held and FTA members taught half-a-day for the teachers.

Miss Bradley, Toni Roberts
Teacher of the Year, Student of the Year

Teachers also enjoyed stuffing themselves on the goodies provided by members of the FTA. The close of the year brought about the banquet held at Furr's and enjoyed by all who attended.

Newspaper

As usual, the *Reveille* had a most successful year. Under the able leadership of Conni O'Neill the *Reveille* won "Best in Its Division" for a mimeographed paper. The *Reveille* does an outstanding job throughout the year of keeping the school on top of what's happening. The entire staff should be commended on doing such a thorough job.

1st row: Debbie Payne, Gay Littlefield, Roxanne Whetzel, Jeana Aldridge, Kim Copeland, Sheila Neugebauer, 2nd row: Andrew Dunlap, Ida Rocha, Betty Dowdy, John Thompson, Craig Carr, Kevin Copeland, Donald Raven, Jeff Anders, 3rd row: Dawn Baker, Annette Brown, Julie Barton, Donna Taylor, Tawny Walser, Peggy Miller, J'Anna Sisson, Jeri Parchman, Henry Arrellano, Steven Gomez, 4th row: Danny Wright, DeAnn Harris, Debby Buckman, Kent Turner, Brenda Novian, Corina de Los Santos, Reba Humphrey, Becky Gaona, Brian Sherrod, Mike Dawson, Roger Lindsey

Seated: Malinee Harmon, Secretary; Joyce Cabaniss, 1st Vice-President; Cherie Deardorff, President; Standing: Peggy Walter, Newsletter and Historian; Phyllis Davis, Treasurer; Not Pictured Marjorie Seay, 2nd Vice-President.

The PAT organization, along with the Booster Club, performs many services during the school year. Each Halloween the PAT sponsors a carnival with proceedings going to various needed areas of the school. This year the PAT had a Christmas Store set-up for the elementary students. The children were allowed to purchase gifts for a minimum price for whomever they chose. Another new venture of the PAT was to organize a newsletter which was sent to all the homes of the children. This provided a calendar of coming events, student composition, news, etc.

The Booster Club sponsors various events during the year also. There are hog dog, ice cream and watermelon suppers for the football players at the first of the year. Also included in their activities are the concession stands, selling of shirts, and the All-Sports Banquet. This year, a bus was purchased especially for school trips by various teams and organizations.

Certainly a big Thank You goes to both clubs for their outstanding work for the total school program.

This is the Parliamentarian?

The Science Club is the club to belong to if you're looking for some interesting times. Besides regularly scheduled meetings, the members also work toward the Science Fair in the Spring. Winners at Roosevelt can progress in other contests in the district and state.

Before the fair is held there is a spaghetti supper to help benefit the club. This is always a big success. You might consider becoming a member in the future.

Throughout the year the Spanish club is involved in many activities. They enjoyed skating parties, banquets, speakers, etc. throughout the year. In the spring Spanish delegates went to San Antonio for the Pan American Forum. Students also attended contest at Austin College where Lou Ann Salinas won first on the national Spanish Exam. To end an exciting year the Spanish club held their banquet at the La Fiesta Restaurant. At this time certificates were awarded to the outstanding students. Scholarships are also awarded various members of the club for study in Mexico during the summer. This is certainly one of our most active and outstanding clubs.

Monzingo, Rusty Burns, Sandra Medley, Wanda Brown, Allan Harmon, Betty Washington, Mary Ann Washington, Stan Wegner, Randy Bonds, Bill Hyatt.

Mrs. Prince, after teaching eight years at Roosevelt, retired at the end of the 1978-79 school year. Her career in teaching spanned thirty-one years in a variety of places from Arkansas to Alaska. Certainly Roosevelt School has been fortunate to have had such a fine lady and teacher during recent years.

Like

We

Made It

In the end I guess you could say we were always looking for something — looking in every way — looking for friends and new faces; we found those in our classes. Looking for a win in athletics and learning that winning isn't everything that counts; that what counts most is knowing you have done your best. Looking for the win in UIL for all who participated . . . and gaining this goal. We were always looking for guidance in some way or another and we found this in our faculty, who were patient and demanding for our sake.

We learned that when we look hard enough and long enough for something, we will some day, somewhere find it.

We did find it — at ROOSEVELT.
